

# SH903 Triple Action Snaphook

## Data Sheet

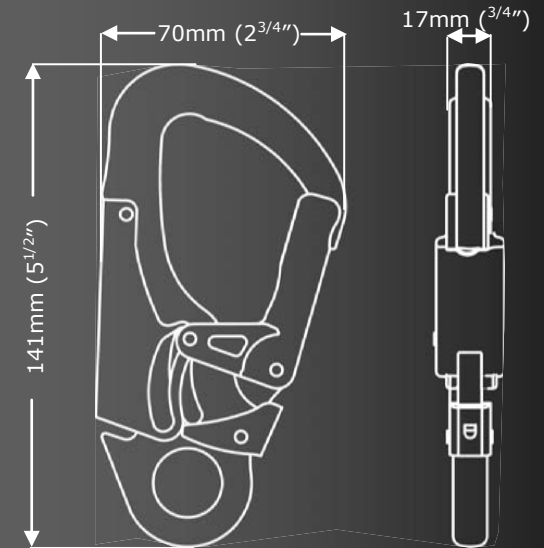

Our small Aluminium Snaphooks are available with the ISC Unique (patented) Triple-action gate mechanisms, for increased gate security.

climb. work. rescue.

# ISC

SOLUTIONS IN METAL

The SH903 is fitted with a third action catch for increased safety. This Triple-action hook is ideally suited to climbing activities where Triple action connectors are required (Adjustable Lanyards and Fliplines). The Safety Heel further reduces the risk of accidental opening and the 'Blind' nose helps to prevent rope snagging.

<b>Weight</b>	134g (5oz)
